- ♦ **Sebby**, for learning all his Phase 3 sounds in phonics

Thank you for your support at the gate on Thursday. A very unexpected start to the day! Unfortunately, the farm is now closed for the next few weeks. For those who are with us next academic year, we hope to reschedule the trip for Autumn Term to link in with Harvest. Reception have continued with their book *The Very Hungry Caterpillar*. They have been tasting different foods the caterpillar ate on Saturday. Plums were the most popular, pickles less so! Most of the caterpillars in the classroom have formed chrysalises so not long now until we see butterflies emerge!

Year 1 have been writing information booklets about British nocturnal animals. So far they have written their contents page and a first chapter. In RE they enjoyed tasting apples dipped in honey while learning about Rosh Hashanah. Year 2 have been reading lots of different poems and choosing their favourite. In maths they have been enjoying making tally charts and block diagrams. This afternoon, KS1 worked together designing maps of their local area and creating keys and symbols. They made sure all local landmarks were covered including, of course, Dropmore Infant School!

Next week we have many fun events including samba drumming and we welcome our new Reception cohort for September at a 'stay and play' on Thursday afternoon. Year 1 will be off Thursday morning to Dair House School for a Forest School session. More communication to go out to Year 1 parents about this next week. Have a lovely weekend and don't forget the Summer Fair is next Saturday (1st)!
