James

For using excellent letter formation

KINDNESS AWARD

- ♦ **Oscar** for helping me tidy up
From Lilly
- ♦ **Esther** for letting me borrow your gloves
From Wren

- ♦ Mia 22nd
- ♦ Aria 28th

ASSEMBLY CERTIFICATE

Reception: Rudy, for coming into school with a smile

Year 1: Niall, for his attention to detail in art

Year 2: Ava, for fantastic reasoning in maths

It has been another week with many highlights! Reception read their new book *Someone Swallowed Stanley*. Using this book as inspiration the children enjoyed making kites and discussing how we can recycle. As they were learning about weight and capacity in maths, the class made some yummy cookies with Mrs Emmett on Monday. Later in the week they worked on their writing skills by writing step by step instructions on how they made them.

Year 1 have been learning about opposites, comparing by using similes, and began to experiment with alliteration in English. They finished their Place Value to 20 unit by comparing objects and numbers in Maths. In Science they learnt to describe properties of simple materials in the classroom. They explored how they feel when learning new things and made "stretchy flowers" to reflect this in PSHE. This week Year 2 have loved reading the quest story *The way back home* by Oliver Jeffers. The class read it slowly over the week and the children could not wait to find out what happened next. In computing the children have been learning how to make art using Microsoft Paint and this week they have been using shapes to make their own pictures.

In Topic the KS1 children have been designing their super hero costumes. They have chosen what part of their costume they will be making and experimented with different materials. A big thank you to everyone who came to our Parent Information Evening yesterday, we hope you found it useful. The presentations will be on our website in the coming week. We hope you have a lovely weekend and see you on Monday!
