AWARD**
This certificate is presented to

- ♦ **Puran**, for her concentration and effort in producing Persian New Year art work
- ♦ **Alexander**, for wonderful handwriting and sounding out the alphabet.

Dropmore Infant School

ASSEMBLY CERTIFICATE

Starting again after half term!

A big thank you to the parents who came to the wellbeing sessions yesterday. It was lovely to see how many turned up and got involved. We hope you found it interesting. A big thanks to Mrs Waugh for organising such a lovely day for the children!

This week, Reception have had lots of fun outdoors. They have new dancing ribbons that have inspired some wonderful dance performances on our stage. The class also had LOTS of fun on Friday learning about Holi and playing with colourful chalk on the playground! Year 1 have finished their Superhero focus in English by writing their own comic strips! They had to think of a hero and a villain, create a dialogue by acting with a partner, and then transfer this onto a template. They all look wonderful! Year 1 also had a fabulous science lesson, testing materials that might make good earmuffs. They discovered that bubble wrap and tin foil were equally as good at keeping the water warm, but may not be so comfortable to wear! This week Year 2 have been learning about poetry in preparation for the poetry competition. The class have looked at poems with a theme around families and enjoyed some very funny poems. In Maths they have been learning about how to use arrays and how the different rows and columns help us to solve multiplication problems. In PSHE they shared their goal tasks with each other and are incredibly proud of what everyone has achieved.

Please look out in book bags today for the poetry competition letter. It is one of the many fun events we have planned for after half term! Also please note that Sharing Hour is the first week back, this time with a maths focus. We hope you all have a wonderful break! See you on the 20th of February.
